

I  **Tibet**

Your Excellency,

Losar Tashi Delek! I send you a traditional Tibetan greeting for Losar, the Tibetan New Year, and my good wishes for Chinese New Year.

The Losar wish of Tibetans is to transcend all the suffering and the loss of the past year, and greet Losar as a time for change, hope and renewal. The Losar wish of all of us who love Tibet is that the year of the Iron Tiger will see a lifting of China's repression in Tibet so that, in the future, Tibetans can live in peace and freedom.

I urge your government to negotiate a resolution to the Tibet issue, which is the only way to bring peace and stability to Tibetan and Chinese peoples alike.

阁下，

洛萨扎西德勒！藏历新年到来，根据藏人的传统，祝您新年吉祥，祝愿您中国新年如意。

藏人的新年愿望是超越过去一年所有的痛苦和损失，愿新年带来变化、希望和更新。对于所有热爱西藏的人来说，虎年的愿望是看到中国停止在西藏的镇压，使得藏

人在未来能够和平与自由地生活。我恳请贵国政府以谈判的方式解决西藏问题，唯此才能带给藏人和中国人和平与稳定。
